NORTH RUNCTON PARISH COUNCIL NEWS

Village Meeting Place update
The VMP closed its doors at the end of July to allow Bespoke Norfolk Construction to move in to undertake some much needed renovation and updating.

The work has seen:
- the roof removed, timbers checked and additional roof insulation installed,
- the lobby enlarged and new storage provided,
- a new kitchen fitted,
- the small hall has been returned to its original format with more space and natural light,
- toilets redecorated,
- new ramps put in to enable easier disabled access.

The good news is that there were no significant nasty surprises! Work on the VMP is nearing completion and we’re delighted that it has been completed on time and within budget.

There will be an official opening, or perhaps it should be an official re-opening, later this year.

Please curb your speed through North Runcton!

In July North Runcton Parish Council took possession of a Vehicle activated speed sign (VASS) to monitor traffic through the village. In recent years there has been increasing concern about the number of vehicles apparently ‘rat-running’ through the village.

Currently in its fourth week of operation, the VASS has been monitoring traffic using Rectory Lane – but will be moved around the village. These signs not only warn motorists if they are exceeding the speed limit, they also record the number of vehicles and the speed of each vehicle, data which can then be downloaded and analysed. Data from the first four weeks show that during the week, peak traffic is related to people travelling to and from work and that, during these times, most vehicles are not exceeding the speed limit by more than 5 mph.

There are isolated incidents of some motorists clearly having no regard for anything or anyone other than themselves with one vehicle recorded as travelling at 60mph coming from the A10 towards North Runcton. They probably regard themselves as an outstanding driver. It’s not just the speed that puts everyone else at risk, there’s also the environmental impact of the noise and pollution from vehicles accelerating hard through the village.

The sign is now located near the BT Exchange on New Road.

On a nice day, I quite often take a short walk down to our beautiful church and grounds. They provide welcome respite from the busyness of Station Road, away from the noise and dangerous emissions we are forced to breathe from the HGVs just going down to the shop. The heavy vehicles roar up and down all day, breaking up our road in the process. One of their subsequent potholes has just cost me £200 for a new car spring, but I digress.

One of the saddest and most touching memorial stones in the churchyard is the one for Daisy May Edwards, who died in 1983 aged 85 years. She was buried 66 years later with her husband Bert Timothy Edwards, killed in the Great War in 1917. They can't have had very long together, and I would very much like to know if any of her family are still in Middleton, and if they could tell us their story in this anniversary year?

“We shall remember”.

**Village Sports Update**

After three events (archery, footgolf and tennis) the Rural Community Games Leader Board looks like this:

- **Downham Market** 32
- **GLEAM (that’s us!)** 22
- **Terrington** 20
- **Walpoles** 18
- **Tilney** 14
- **Clenchwarton** 10
- **Methwold** 10

The junior tennis team (Richard & Poppy - pictured at the front) played absolutely brilliant tennis, winning all their matches and won the competition. The senior team (consisting of Sarah & Paul) stood in at the last minute and came 3rd.

The other events for 2017 are:
- **Table Tennis** (13 Oct, 6-9pm)
- **Badminton** (13 Oct, 6-9pm) – both events will be mixed doubles (adult team and junior team aged 8-15 years)

They are fun events so you don’t need to be an expert. It is all FREE to enter. To keep the competition element, there will be a prize at each event but also an overall winning prize for the village team that wins overall at the end of year.

If you would like to represent the GLEAM team (you need to live in the parish of Gayton/Gayton Thorpe, Leziate, East Winch, Ashwicken or Middleton), please email or telephone to let me know. Thank you.

Middleton Parish Council
Chairman’s Report
By Mick Porter

Following a recent meeting with the local Highways official it was agreed that the Dyke adjacent to Water Lane needs clearing out. The Parish Council is awaiting a response from Norfolk County Council Highways Department.

Refurbishment of the telephone box in Hill Road will be carried out by councillors Steve McAllister and Ray Smith. Ms Val Wood agreed to supply the paint. This means there is no cost to the Parish Council and ultimately the rate payers.

In my previous report a mention was made about the concerns of one parishioner regarding the track to the playing field, the Parish Council response was included. Throughout the school holidays Parish Councillors carried out surveys to ascertain opinions of users of the play equipment regarding the track. No adverse comments were made but all those asked thought the new play area was brilliant. A recent Health and Safety assessment of the playing field and equipment only highlighted the mole hills; there was no mention of the track.

The Parish Council has agreed to erect signs at the entrance to the field warning users of the uneven track and where the dog waste bin is located. Wicksteed have agreed to address the problem regarding the lifting of the safety matting around some of the equipment. With regards to the adult gym equipment, this has been installed to the standard required, it is the slope of the ground that is the problem where some of the equipment is higher to mount than other equipment.

Although funding for a second VAS sign is available, the Parish Council agreed that a second sign would not bring any advantages to what we already have.

In regards to the use of Station Road by HGVs, Norfolk County Council Highways department have informed the Parish Council that they are not prepared to change the existing situation. They have agreed to carry out a survey on Hill Road where there is rutting caused by HGVs which in turn is causing the noise made by HGVs especially when they are empty. Mike Hurley from Sibelco has agreed to come to the October Parish Council meeting to address concerns of the parishioners regarding HGVs in Station Road.

The Parish Council are aware of rumours regarding the Seventh Day Adventists seeking a possible route off Setch Road to their development at North Runcton. The Parish Council can only comment if this becomes a reality.

EAST WINCH NEWS
By Nell Steele

Parish Council Meeting, 4 September

David Wright was co-opted as councillor.

Keith Harrod reported that the Village Hall trustees had approved the idea of keeping a defibrillator at the hall. Now the clerk is to look into the cost of obtaining a defibrillator and training volunteers. Borough Councillor Jim Moriarty said his parish had obtained one for free.

Our newish NCC councillor, Graham Middleton, apologised for having been unable to attend an earlier meeting. He said that the railings by the Old Maid’s Head were the responsibility of Highways England, and that talks were ongoing between NCC Highways and them, but he did not think Highways England considered them a priority. NCC Highways will take responsibility if there is no action from Highways England. A member of the public emphasised how dangerous the railings were, and that just removing them would not be the answer.

Cllr Moriarty told the meeting that the Borough Council had just reported on the study aimed at reducing the number of councillors and redrawing the ward boundaries so that each ward had approximately the same population. The present proposal is that East Winch and West Bilney join with Gayton, while Castle Acre, currently in our ward, would join with Gt Massingham instead. There will be a further consultation later.

The clerk reported that at a site meeting on Common Rd outside West Bilney hall, Mr Wallace of NCC Highways had said that there was no possibility of installing traffic calming measures or a speed limit, but he would be prepared to have SLOW signs on the road and the verges.

The clerk is making enquiries about who is responsible for cutting back the vegetation outside Wilson Homes.

Defibrillator Volunteers
It’s early days yet, but it could be useful to have a list of people who’d like to find out more about using the defibrillator, if and when we get one. Please give Nell Steele or Bob Pannell, the clerk, your contact details if you are interested.

Old Parish Council Records
Does anyone know where the Parish Council records for the last century might be? They’re not with our present or previous clerks, nor at the Norfolk Records Office. Any ideas? They could be of historical interest.

‘Adopt a Brick’ Update
Funds are looking healthier now. A local donor has given us £1,000, to use as we like, and it will have to go to mend the wall. The Duke of Norfolk has sent £250, and so, with the Adopt a Brick appeal, we now have over £1,450. So that’s cheering, but it looks as if the majority of the funds will have to come from local sources, as the big funders aren’t interested in walls.

Advance Notice - Christmas Fair on Saturday, 18th November.
If anyone would like to have a stall, please get in touch with Nell, 840814. Stalls are £5, and there’s a lovely friendly atmosphere.

Rights of Way update.
The application for paths across Manor Farm and Home Farm to be registered as public rights of way was heard by a government Planning Inspector on 6th September at an Inquiry very similar to a court hearing. Unfortunately, at the end of the day, less than half the witnesses for Wilson Farms had given evidence, and the earliest available date for the Inspector was 4th April 2018! So patience, everyone, and many thanks to the people who gave evidence and who came to the hearing out of interest as well.

Montagu’s Harriers & Snettisham with Jim Scott
Tuesday 31st October, 7.30pm

Jim Scott is site manager for the RSPB’s Snettisham Reserve and he also manages the Montagu’s Harrier Protection Scheme in West Norfolk. Montagu’s Harriers are exceedingly rare breeding birds in the UK whereas Snettisham’s location on The Wash is probably the place in the country to view thousands of wading birds and Pink-footed Geese. This talk from Jim should be most topical and informative.

Norfolk through the Lens of a Naturalist with Dr Moss Taylor
Tuesday 28th November, 7.30pm

Retired Sheringham GP, Moss Taylor, has almost legendary status in Norfolk as a naturalist. He is an award winner for his ‘significant voluntary contribution to Norfolk’s wildlife and wild places’. Moss has also written or co-authored at least seven books on birds. He has an irrepressible passion for the wildlife and, in particular, the birds of Norfolk, his adopted county. Moss’s talk is bound to be a delight for NarVOS.

Visitors most welcome at these meetings. Admission £2 on the night if you are not a NarVOS member. For more information about these meetings or NarVOS call Ian Black on 01760 724092.

**WORLD WAR 1 CONNECTIONS**

The June/July edition of the Parish News carried tributes to two brothers, George and John Dix, both of whom fought in World War 1 and died in battle in 1917. As evidence of the longevity of family connections in this area, the tributes prompted Philip Robinson who lives in Fair Green to contact me to say that George & John were his Great Uncles!

According to the Robinson family’s own records William & Susannah Dix lived in farm cottages close to what is now West Bilney Nurseries, but moved to Dersingham in their later years. The published tributes indicated that they had five children, but in fact they had nine - six sons (John - who died about 8 years old, Charles, Edward, John, Alfred & George) and three daughters (Hannah, Alice & Lily).

Philip sent me this photo which shows John together with his brother Alfred in their military uniform. My thanks to Philip for getting in touch. It is good to know that our communities still include relatives of local people who gave their lives 100 years ago in World War 1.
